ECONOMIC IMPACT ON BOTSWANA

Mits Petroleum's operations are designed to drive significant economic growth in Botswana through the following avenues:

- **Employment Creation:** Mits Petroleum will play a pivotal role in reducing unemployment by directly creating numerous jobs in the petroleum sector. From logistics and distribution roles to administrative and managerial positions, we will provide diverse career opportunities for Botswana. Additionally, our partnerships with local contractors and service providers will further stimulate job creation in related industries, such as transportation, construction, and maintenance.
- **Skills Development:** Our focus on training and workforce development will equip employees with valuable skills that can be applied across various industries. By fostering a skilled workforce, Mits Petroleum contributes to building human capital that supports long-term economic growth.
- **Boosting Local Businesses:** Mits Petroleum collaborates with local suppliers, transporters, and other service providers, ensuring that a significant portion of our revenue is reinvested into the local economy. This approach not only strengthens small and medium enterprises (SMEs) but also promotes economic diversification.
- **Energy Security and Industrial Growth:** By ensuring a stable and reliable supply of petroleum products, Mits Petroleum enables industrial and commercial enterprises to operate efficiently. This contributes to increased productivity, economic stability, and the attraction of foreign investment into Botswana.
- **Revenue Generation:** As a registered entity in Botswana, Mits Petroleum's operations contribute to government revenue through taxes and other regulatory fees. This revenue can be redirected into critical sectors such as education, healthcare, and infrastructure development, further benefiting the nation.

ECONOMIC GROWTH AND
HUMAN DEVELOPMENT NEED
TO GO HAND IN HAND. HUMAN
VALUES NEED TO BE ADVOCATED
VIGOROUSLY.
